# Highlights

## 3 + 9 Hours playtime

With 3 hours of playtime, you'll have enough power to keep your music rolling for long sessions. Connecting to the charging case also gets you another 9 hours of playtime.

## efficient 6mm driver

Compact and efficient 6mm speaker drivers deliver precise sound with powerful bass, for enhanced listening enjoyment on the go.

## Auto On/off and pairing

No more buttons! The unit will turn on automatically and starting pairing once removed from the charging case. And it will turn off itself when it returns to the charging case.

## Handsfree calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.

## Secure wing tips

The wing tips provide a little extra push for a better, more secure fit that never falls out.

## Neodymium speaker drivers

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality.

## Passive noise isolation

The perfect, snug fit inside your ear stops unwanted background noise detracting from the pure pleasure of your favorite music. This means you still enjoy the headphones' superb sound quality at lower volume settings, and also benefit from a longer battery life.

## 3 pairs of ear caps

Ear caps come in a choice of 3 sizes - small, medium and large - for a personalized and perfect fit.

## Bluetooth® v5.0

Bluetooth® v5.0 technology for wireless control and enjoyment of music and calls
