Packaging dimensions

- EAN: 69 23410 73294 8
- Packaging dimensions (W x H x D): 24 x 32 x 10 cm
- Gross weight: 0.754 kg
- Net weight: 0.42 kg
- Number of products included: 1
- Packaging type: Display
- Tare weight: 0.334 kg
- Type of shelf placement: Both

Accessories

- Audio cable
- Included accessories: Power Adapter

Outer Carton

- Gross weight: 2.87 kg
- GTIN: 1 69 23410 73294 5
- Outer carton (L x W x H): 32.5 x 26 x 32.5 cm
- Net weight: 1.26 kg
- Number of consumer packages: 3
- Tare weight: 1.61 kg

Product dimensions

- Product dimensions (W x H x D): 19.5 x 22 x 8.5 cm
- Weight: 0.178 kg

Highlights

32 mm speaker driver

The 32 mm speaker driver is a compact yet powerful element for delivering non-distorted sound with any given input power.

Self-adjusting inner headband

Typically, headphones worn outdoors are adjustable by sliding an extendable headband into position. This can be inconvenient as it usually has to be done every time you use them. But now you can get your music fix faster and easier thanks to the flexible, self-adjusting inner headband on these headphones, which automatically adjusts to your head's shape and size.

Lightweight design

The durable, lightweight quality materials of these Philips headphones enhance comfort for extended wear.

FM Wireless transmission

With high-frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.

Fully rechargeable

The headphones are designed to be used with rechargeable batteries. No worries about cost for repeated use.

2 transmission channels

With a choice of two transmission channels your listening pleasure is protected because you can easily switch to the one with the best reception.
