Highlights

Bluetooth technology

Pair your headphones with any Bluetooth device for crystal clear music enjoyment – wirelessly.

Efficient 8.6mm drivers

Compact and efficient 8.6mm speaker drivers deliver precise sound with powerful bass, for enhanced listening enjoyment on the go.

Oval sound tube inserts

Oval sound tube inserts seals out ambient noise, while its semi-closed structure deliver enhanced bass performance.

Choice of 3 pairs of ear caps

Ear caps come in a choice of 3 sizes – small, medium and large – for a personalized and perfect fit.

Ergonomic oval sound tube

The oval shape of the sound tube came about based on extensive research on the human ear. Designed to fit any ear comfortably, the ergonomic shape ensures optimal fit and comfort for total music enjoyment.

Wireless music and calls

Pair your smart device with your headphones using Bluetooth and enjoy the freedom of crystal clear music and phone calls – without the hassle of cables. Change tracks and answer calls with the easy to use remote control.

Handy size for easy carrying

This handy alarm clock offers accurate time and alarm functions in a compact form. It is small enough to be placed anywhere at home or in the office, or you can take it along with you whenever you travel.

Lightweight neckband design

The lightweight neckband design ensures you can wear comfortably for longer time, without messing up your hair or pressing on your head
